

2009 WAS A "REWARDING" YEAR!

Ever wonder why a visit to Petland is so much more than just your average shopping trip?

While the huge selection and choice is an important piece in the Petland concept, it is far from the only difference you feel as you first step through the Petland doors.

The real difference in the Petland experience is the sense of excitement and adventure you feel as you enter Petland's special world.

As you enter, you are greeted by an enthusiastic, knowledgeable Pet Counselor, dressed in a freshly pressed safari uniform. These famous Pet Counselors have gone through extensive training and continuing specialty

the courtesy and hospitality of a valued guest.

courses to keep them updated with the latest information to help their guests provide optimum care for their pets, and ensuring that all the Petland pets are receiving that very same optimum care. While providing you with any assistance or information you may require, you immediately notice you are being treated as much more than just a mere customer, you are being accorded
